

Housing for Victims of Domestic Violence

Our goal aims at recovery and self-support. We believe providing victims of domestic violence with a safe and adequate environment plays a significant role in their recovery from abuse.

A Safe Harbor Home, Inc. helps these individuals and/or families establish safe permanent housing in which to rebuild their lives. Through this program, victims benefit from:

- Housing financial assistance
- Access to counseling services
- Vocational training
- Life skills that support independent living

Supportive services provided by A Safe Harbor Home, Inc. are available for 6 to 24 months based on individual needs.

A Safe Harbor Home, Inc. was founded in 2008 as a 501(c) 3 organization.
